

Wisconsin Arts Board 50th Anniversary Shared Stories

Antigo Visual Arts, Danna Gabriel

Have you ever seen or experienced a program that received Arts Board support? If so, how did it make a difference in your community?

Helped with social cohesion between the schools, businesses, and community members.

If you work directly in the arts, why is Wisconsin and/or your specific community a good place to do your work?

The Wisconsin Arts Board oversees art in rural communities and is really a driving force.

Is there anything else you would like to share about the Wisconsin Arts Board and its work as we celebrate 50 years?

I feel uneducated in grant writing, creative opportunities, etc., and Karen G. from the WI Arts Board really stepped into our community and helped us through. It was a rewarding experience that someone on a state level reached our small community like she did.
